

Alexander HDD

A Division of ABC Inc.

Alexander HDD

Alexander HDD, based in Morinville, Alberta, is currently seeking a highly skilled and safety-oriented HDD Driller to join our growing team. This role is ideal for a professional with at least 3 years of directional drilling experience, a Class 1 license, and a strong commitment to safety and quality.

Key Responsibilities:

- Operate and maintain horizontal directional drilling equipment
- Interpret utility locates, blueprints, and project drawings
- Accurately execute bore paths while ensuring safety and compliance
- Coordinate with crew to complete installations on schedule
- Maintain and inspect equipment regularly
- Adhere to all company and industry safety protocols
- Travel to job sites as needed

Mandatory Requirements:

- Minimum 3 years of HDD drilling experience
- Valid Class 1 Driver's License accompanied by a driver's experience letter confirming previous commercial driving experience.
- Clean Driver's Abstract
- The following valid safety certifications:
 - First Aid & CPR
 - Ground Disturbance Level II
 - H2S Alive
 - CSTS (Construction Safety Training System)
 - TDG (Transportation of Dangerous Goods)

Preferred Qualifications:

- Experience with Vermeer and/or Ditch Witch equipment
- Strong communication and problem-solving skills
- Comfortable working outdoors in all weather conditions
- Willingness to work overtime or travel as required

What We Offer:

- Competitive hourly wage ranging from \$40.00 to \$46.00, based on experience
- Overtime opportunities
- Benefits package (health, dental, etc.)
- A safety-first work culture
- Supportive team environment with room for growth

How to Apply:

Please submit the following to kathy@afnbc.ca

- Resume
- Current Driver's Abstract
- Copies of all required safety certificates
